

Project Report For Keerthi Sweets

Sweets such as kheer are solid, while others such as burfi are baked, while others such as Mysore pak are roasted, while others such as jalebi are fried and yet others.

Everything in India is a little sweeter- the people, the cuisine, every region of the country joyfully celebrates festival as well as modest triumphs in life.

Sugar confection are sweet. Sugar based sweets are typically consumed as sweet. Super sweets, chocolates, candied fruits and nuts, chewing gum and even ice cream fall into this category.

1.1 Overview

The India's No.1 Confectionery and sweets Manufacturer with its products exported to over 20 countries around the world. They are dedicated to the art of producing innovation and delicious products offer tantalizing experience that sparks the imagination in people who eat their candy. Of course this has been sweets goals since their inception in sweets continues to make some of the best sweets in India. Sweets products can be enjoyed by kids and adults alike and their products come in an array of flavors, shape and sizes.

Purpose using this project .what can be achieved using this.

The power of good food shared inspires all of us at Sweet Street to innovate and create the finest, indulgent foods served globally. We nurture the idea that our offerings are universally enjoyed by families and friends making us part of life's celebration and memories.

We at Sweet Street choose to be the industry leader setting the standard by which all others are judged. Exceptional food is our way of life, our passion for pure, sustainable ingredients and unwavering commitment to always exceed the expectations of our customers ensures our future.

But the Sweet Street is about more than great food. Above all, we are dedicated to creating a safe, dynamic environment so compelling our customers, suppliers and co-workers want to participate in achieving mutual success.

Advantages& Disadvantages

- List of Advantages and Disadvantages of the proposed

1. *Advantages*

A. Advantages for Table suger:

Most of the food items which we consume in our day life have several benefits. Even the salt also has different advantages. But when we talk about table Sugar, you need to understand that table Sugar has only limited advantages. And if not Consumed in Moderation then that advantages may also turn into a Disadvantages

B. Goods Source of Energy:

We all are well aware of this fact and we have mentioned above also that Sugar helps providing us the energy. Our Body needs glucose for various function performed by our body organs.

There are many other food items also other than the table sugar that helps in providing the energy to our body. It provides a sudden boost of energy in our body. That is why when anyone feels dizzy or weak it is suggested to provide them with salt and Sugar water so that they can feel better.

C. Helps in Boosting of Table Sugar:

This is also true that sugar helps in boosting our mood. Some people say that it happens because of the taste buds whereas it has been researched that table sugar added sugar helps in causing the dopamine rush. That is why when people are sad or depressed they tend to eat the food items which have sugar in them like soft drinks, ice cream, sweets, Chocolates, Cake etc....,

Disadvantages of Table Sugar:

The table sugar or the added sugar is not very good for our health. Consuming them in the limited or controlled quantity is fine.

- *It can cause weight gain*
- *May increase your Risk of Heart Disease*
- *Linked to Acne*
- *Increase your risk of type 2 diabetes*
- *May increase your risk of cancer*
- *May increase risk of depression*
- *May Accelerate the skin aging process*
- *Can increase cellular aging.*
